Concise Statement

on may 15th 2018 At SCI-Albion I had an altercation with Sergeant Clinger while this Sgt. was passing out lunch trays. Basically I had reason to believe Sgt. Clinger was tampering with my food. On the collection of trays, I refused to give my tray back until I could speak to a Lieutenant. My request was ignored, which resulted in me kicking my cell door window. I proceeded to kick my cell door window in which resulted in me being sprayed by C.O. Brocelo with OC spray. I was taken to the RHU medical room to see medical staff, in the process I was restrained by Co. Brocelo and Co. Bednarz for no valid reason. While being escorted to the strip out room Plaintiff struck his forehead off the wall causing no injuries what so ever. ~~then~~ Plaintiff was violently slammed to the floor by Co. Bednarz and Co. Brocelo. While on the ground Plaintiff was being tazed in his right

hamstring by Sgt Clinger and being physically restrained by 5 officers. Co. Brorcelo then proceeded to punch Plaintiff in his right eye with a closed fist and also jamming his fist in the Plaintiff right eye. Co. Brorcelo then began kneeing the Plaintiff in his right eye causing instant swelling and bruising
